

SSC PRACTICAL CHEMISTRY

Class 9th

Practical No	Experiment		Chapter	
1	Basic techniques of glass cutting, glass bending	PRACTICALS FOR 9 TH CLASS	0	CHAPTERS FOR 9 TH CLASS
2	Measurement of Mass		01	
3	Measurement of Volume		01	
4	Measurement of Density		01	
5	Preparation/Separation of Mixture		02	
6	Determination of M. Point and B. Point		02	
7	Passage of Electricity through solution		05	
8	Preparation of Molar Solution		05	
9	Identification of Acid, Base Salts etc		06	
10	Determination of PH of Acid, Base, Solution		06	
11	Determination of PH of Soil Sample		06	
12	Acid-base titration		06
